

Congratulations to the 2019 Recipients of the Foundation Sabbatical Grant and PLA Scholarship

Cindy Luo

*Clinical Pharmacy Specialist (Solid Organ Transplant),
Vancouver General Hospital, Vancouver, BC*

Sabbatical: Application, integration, and implementation of pharmacogenomics (PGx) to clinical pharmacy practice

Education Grant: \$6,090

Facility: University of Minnesota, Minneapolis, MN, and affiliated sites, under the supervision of Dr. Pamala Jacobson

Amy Smith-Morris

*Oncology Pharmacist, Saskatchewan Health Authority,
Saskatoon, SK*

Scholarship: ASHP Pharmacy Leadership Academy

The Pharmacy Leadership Academy courses offer a range of critical topics, incorporating self-learning and reading, presentations, and case-based interactive components to inform and stimulate mentees, with the aim of benefitting patient care through enhanced leadership skill at every level of a healthcare organization.

Education Scholarship: US \$6,650

With just \$25, you can help create opportunities for you and your colleagues to explore new ways to advance hospital pharmacy practice and patient care.
